

# Combined Firearms Council of Victoria

## *Your sport needs your help today !*

The shooting sports remain under threat from politicians, media and others who don't have a proper understanding of what we do.

All of Victoria's major shooting organisations have said "***Enough Is Enough***" and developed a strategy to ensure shooters have a single political voice.

We placed full page ads in the major papers to support candidates who supported the shooting sports prior to the last State Election.

These had a profound impact – and our work is ongoing.

A Federal election is coming up soon and we need your support *today* !

Don't leave this up to someone else to worry about. Find out what *you* can do by visiting [www.cfcv.org.au](http://www.cfcv.org.au).

Or phone 0425 746 066 and we'll send an information brochure out to you.

**Don't become a political target yet again !**  
**Fight back by helping us protect your sport at the next Federal election**

*Donations can be made to the CFCV – please see our brochure on our website for more information*
